In order to know the candidates better, please tell us why you are interested in being on the Planning Commission and what you feel your role as a Planning Commission member would be.

I would like to support my community by being part of the Planning Commission of Bennet. With my experience and knowledge from working for the City of Bennet for over 10 years, I believe I could be an asset for the committee. My role as Superintendent and within the maintenance position, I have worked with many people and vendors that Bennet utilizes for the roads and utilities.

Please do not hesitate to let me know if you have further questions.
