Re: High School Principal Report November 2023

Greetings from HHS!

We are in the midst of the 2nd quarter right now here at HHS. There are many opportunities that are being provided currently for our students in a wide range of settings. From various Clubs and Organizations to FFA activities, Drama events, Band Competitions, Sports, etc...to the FAFSA nights, College and Career Events, and senior projects. It is great to see the many ways that our students can build life skills beyond the classroom setting in our small rural public school. Please see the document provided by Mrs. Dorsey regarding some more of the events that have taken place this first semester.

This current month we are focusing on the PBIS theme of Safety. As always we want our students to know they are safe but we have to talk to them about what that looks like on a daily basis. How decisions here at school as well as outside of school impacts their safety and keeping those around them safe as well. Our goal as it is stated in our vision statement is to “Inspire our students to dream toward a better future, and equip them with the skills necessary to achieve those dreams!” We continue to work towards that vision!

We are truly blessed to be here and to be a part of HHS!

Enrollment - 11/7/2023
