Goal 1

By 2030, we aim for 95% of Fielding students to achieve grade-level literacy. To support this, our 2026-2027 goal and action plan focuses on growth across all grade levels: a 10% increase in Acadience proficiency for K-2 and a 5% increase for 3rd grade from beginning-of-year to end-of-year.

Action Plan

What specific tasks/activities will need to be done to help reach your goal?

1. Paraprofessionals will be hired to support and reteach tier 1 instruction and provide small-group tier 2 and tier 3 instruction.
2. Use state and district approved tier 1 programs (SuperKids and Wonders) and LETRS Instruction to improve literacy instruction.
3. Coaching cycles and feedback for paraprofessionals and teachers to improve instruction and program implementation. Professional Development opportunities will be provided.
4. Teams will align daily schedules to include the MTSS literacy block, prioritizing regular collaboration and data discussion to facilitate appropriate response to intervention.
5. Progress monitoring will be performed as required throughout the year and reviewed to ensure adequate, consistent growth is occurring.
6. Technology and classroom supplies will be purchased as needed to keep classrooms updated so that teachers and students have easy access to all needed materials.
