RE: Consolidated District Plan (ISBE)

Date: May 12, 2026

Subject: Approve Consolidated District Plan

It is recommended by the Superintendent that the Board of Education approve the Consolidated District Plan (CDP) for federal grants for the 2026-2027 school year.

Background:

The CDP allows grantees to answer one set of planning questions to meet requirements for numerous federal grants, including Title I- Part A, Title I- School Improvement 1003(2), Title II- Part A, Title III, Title IV- Part A, IDEA- Part B Flow Through, and IDEA- Part B- Preschool.

The CDP does not have funding attached to the plan, however, it is the planning document and the BOE approval that allows districts to receive the federal grant funding.
