

# **Instructional Materials Adoption**

## **2025-26**

**Presentation to the CCISD  
Board of Trustees**

**March 2026**

# HB 1605 & Instructional Materials Review Approval (IMRA)

- *HB 1605 (2023) emphasizes high-quality, TEKS-aligned curriculum, more parent transparency and new funding incentives*
- *IMRA – Texas’ review system where State Board of Education (SBOE) evaluates and approves instructional materials for quality, alignment & accuracy*

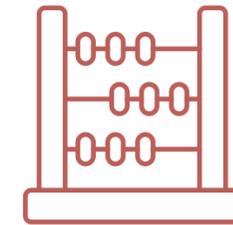

# Subject Area Committees

**65+ Subject Area  
Committee Members**  
(representing all feeder  
campus patterns)

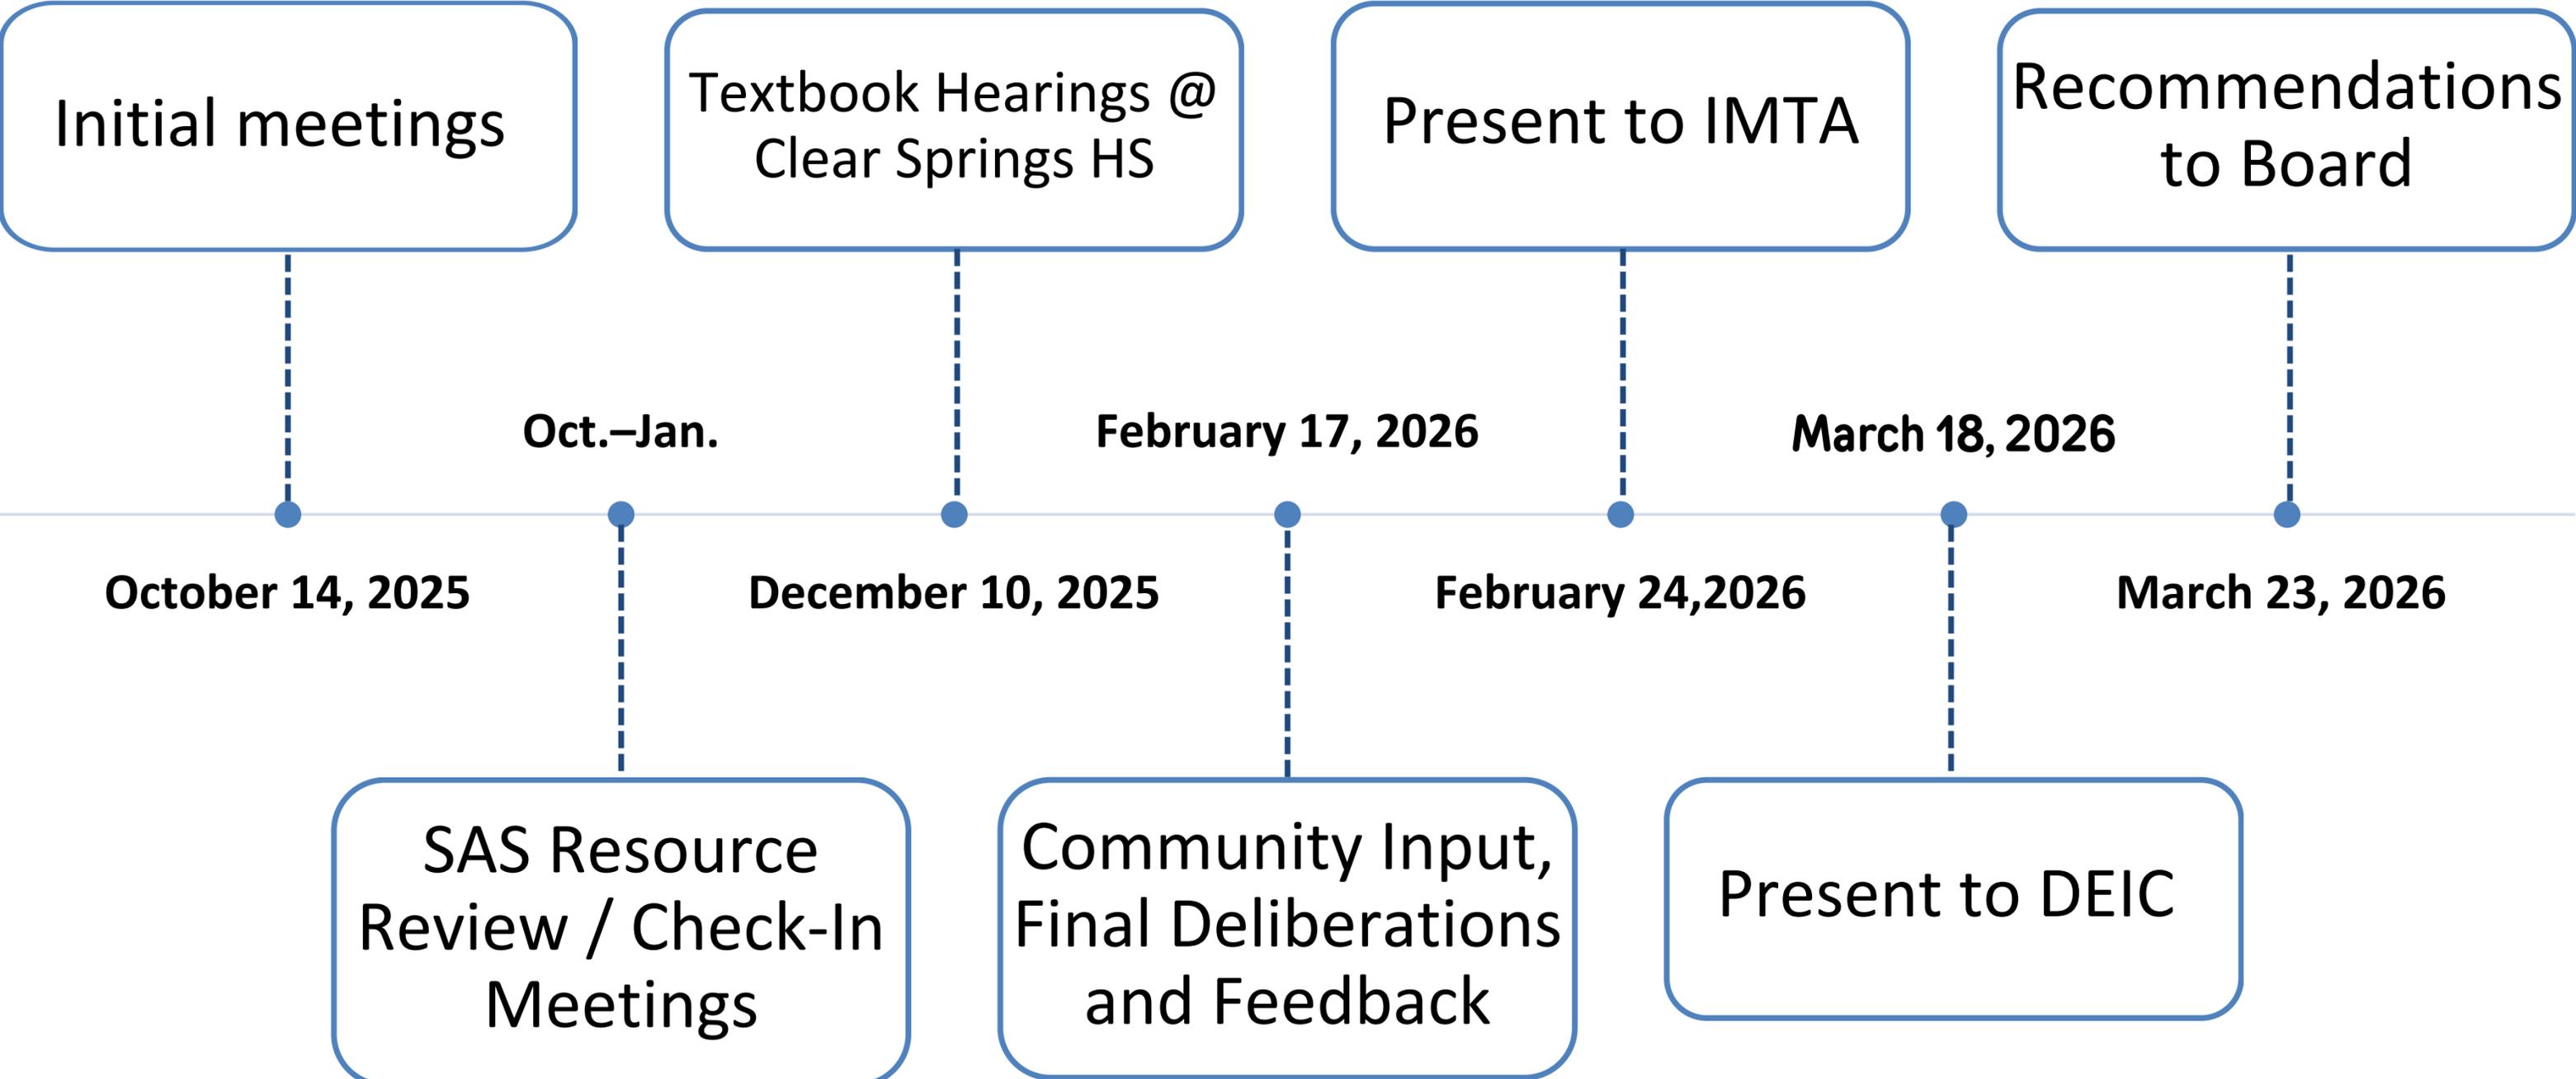

**Subject Area  
Responsibilities**  
(K-5, 6-Algebra 1,  
Geometry+)

**Facilitators**  
Rachel Powell  
Tracy Pattat

# Recommendations

<b><u>Publisher</u></b>	<b><u>Title</u></b>	<b><u>Course</u></b>
Great Minds	Bluebonnet Learning	Kindergarten-Fifth Grade Mathematics
Carnegie Learning	Bluebonnet Learning	Sixth Grade-Algebra II

# Secondary Math Electives

<b><u>Publisher</u></b>	<b><u>Course</u></b>
McGraw Hill	On-Level Precalculus
Math Medic	AP Precalculus
Cengage	AP Calculus AB/BC
Pearson	AP Statistics
Cozenza & Associates	Algebraic Reasoning
Cengage	Financial Math

## Bluebonnet Learning K–5

---

Supports CCISD's use of rigorous, research-based mathematics practices

---

Utilizes manipulatives already familiar to district educators and students

---

Maintains a strong focus on written mathematical reasoning and justification

---

Aligns the problem-solving framework with CCISD's established instructional practices

---

Incorporates consistent daily spiral review to reinforce prior learning

# Benefits of purchasing from the publisher

**Online  
Dashboard**

**Access to  
Student  
Facing Videos**

**Access to  
Teacher  
Facing Videos**

**Daily Slide  
Decks for  
Lessons**

**Intervention  
and  
Extension  
Support**

# Support from the publisher

**Daily Lesson Plans –  
Curated by CCISD**

**Assessments –  
Created and Aligned**

**Professional  
learning**

**Support for New  
Teachers**

**Family Portal**

**Less Screen Time**

**Bluebonnet  
Learning:  
Gr.6 - Algebra 2**

---

Builds conceptual → procedural understanding

---

Focuses on student thinking and rigor

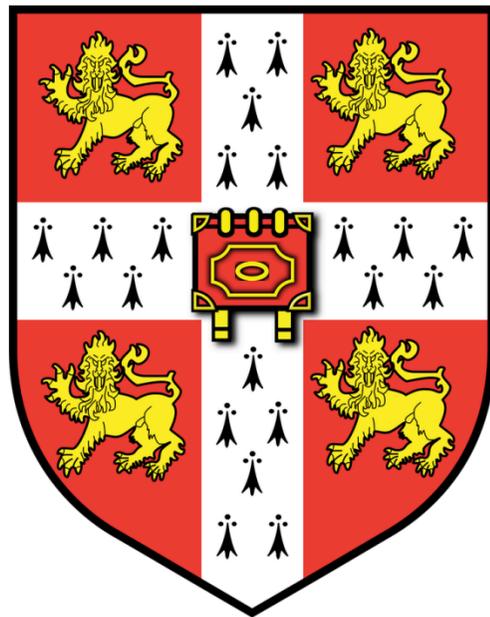

---

Prioritizes student experience

---

Ensures consistency across grades

# Current Uses of Bluebonnet

Cambridge Course

Targeted Support

# Geometry and Algebra 2

---

Prioritized student  
experience

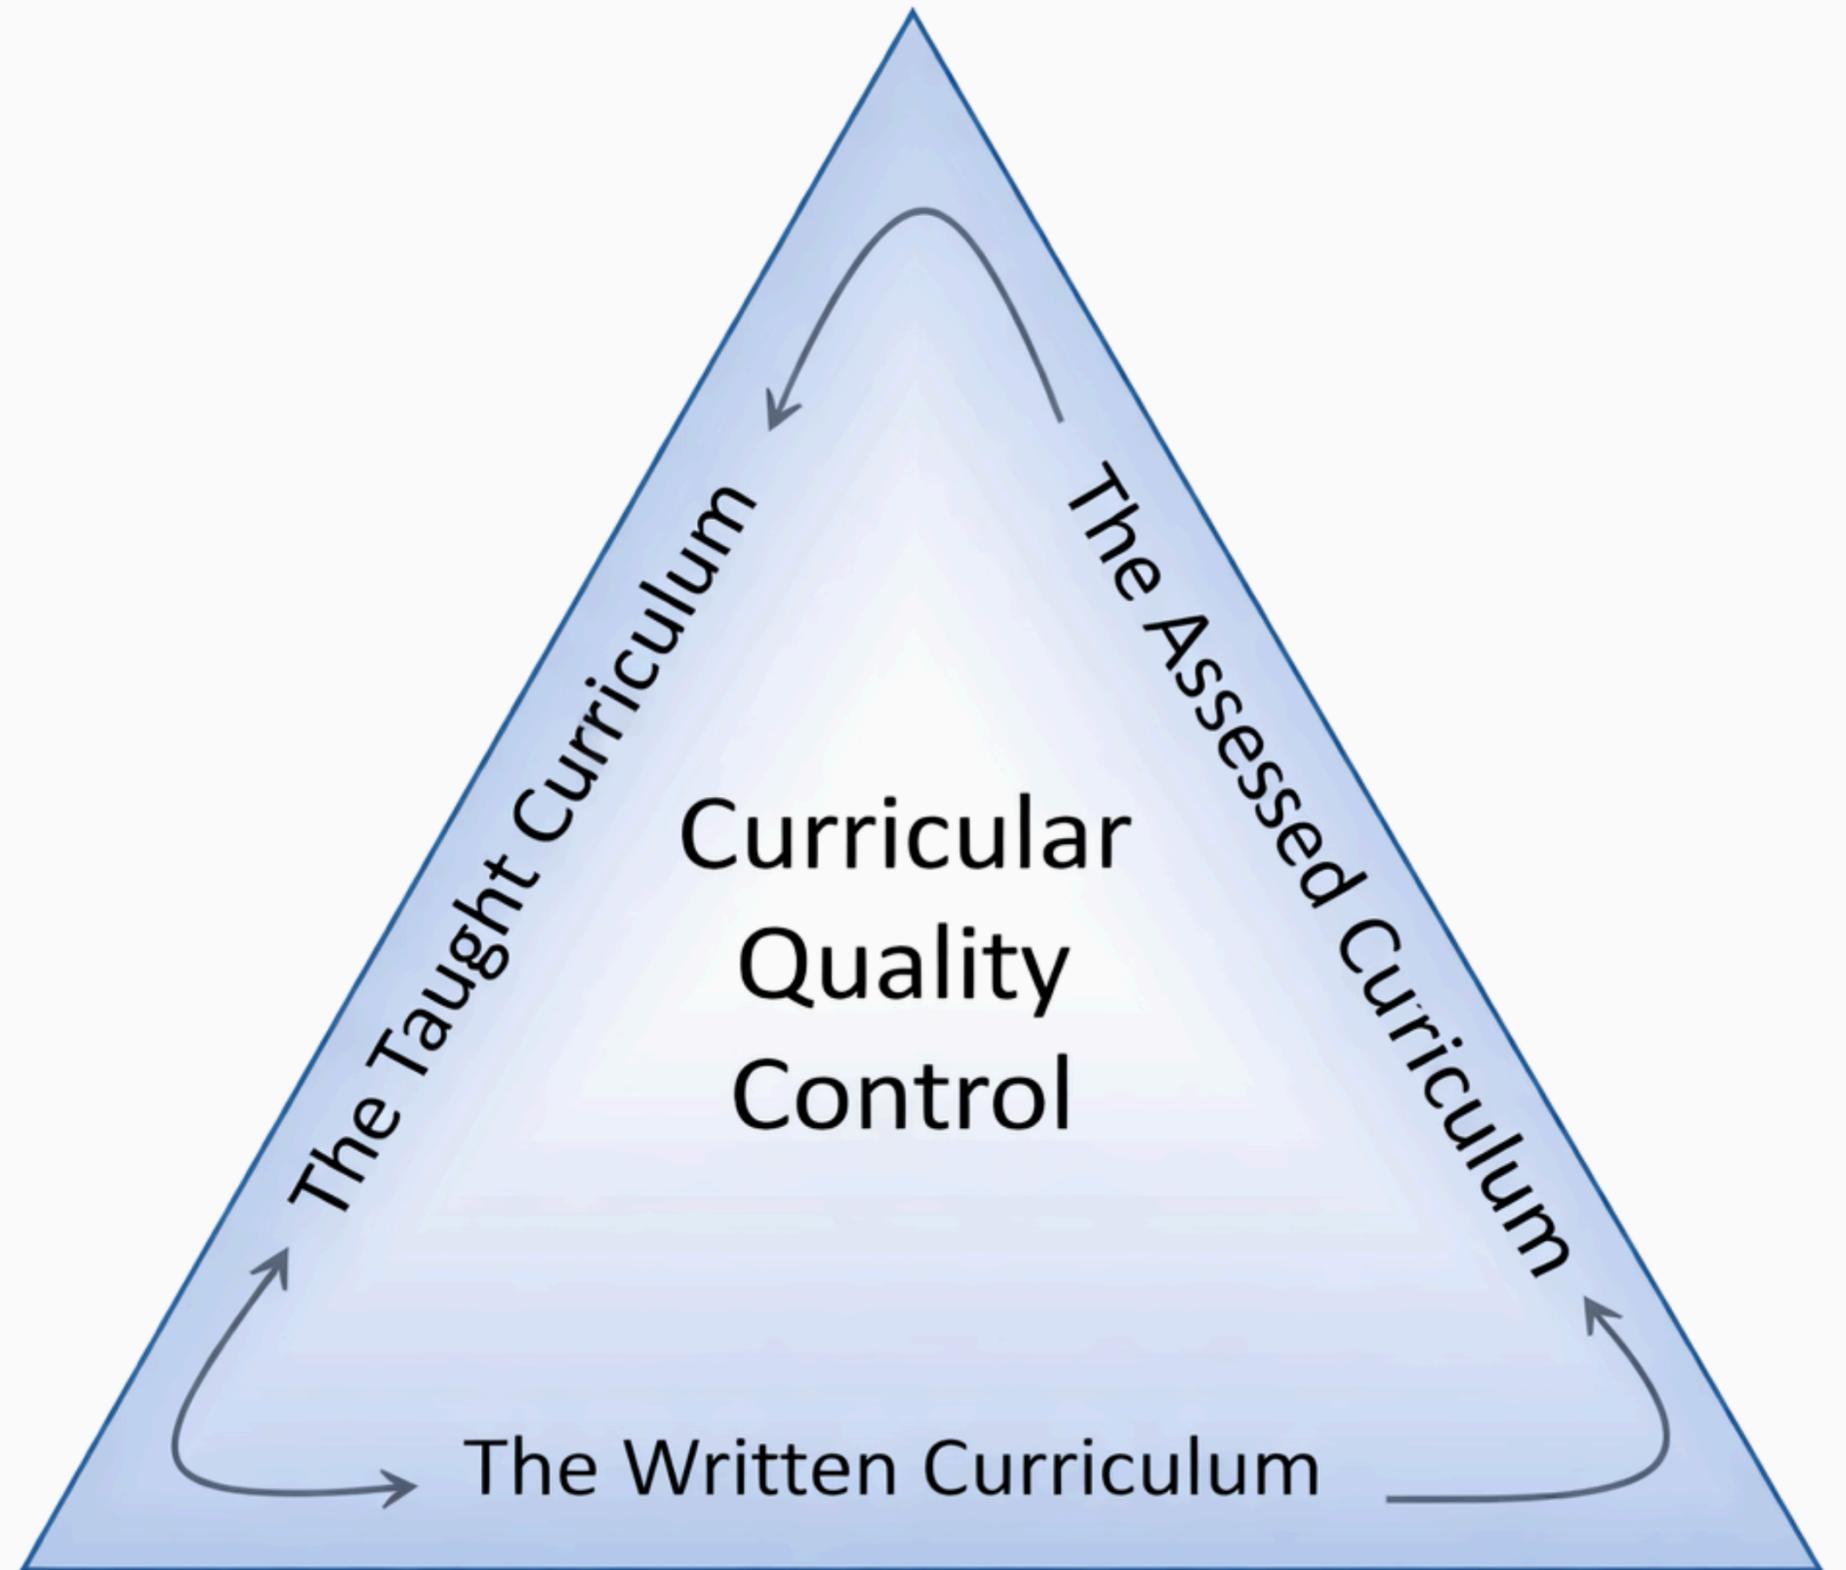

---

Ensures consistency  
across grades

# High School Elective Courses

- **Alg. Reasoning & Precalculus**
  - One HQIM option
  - Selected for embedded support provided with an HQIM
- **AP Courses**
  - Resource supports AP Classroom and CED (Course and Exam Descriptions)
- **Financial Math**
  - Cengage was the only Financial Math book
