District Strategies (Check all that apply):

- Students and staff will thrive in a secure environment, build connections and community, and become resilient leaders.
- Each student will engage in world-class learning experiences that foster curiosity, develop talents, guide exploration, and fuel achievement.
- We will cultivate innovation through strategic collaboration and responsive organizational stewardship.

Subject:

Consider Approval of Instructional Resources Selections for Math Grades K-12.

Background:

In accordance with CCISD policy EFA and new state legislation regarding Instructional Materials Review and Approval (IMRA), the subject area subcommittees for elementary and secondary math have completed the process for instructional resource review and have presented their final recommendations to the Instructional Materials and Technology Allotment (IMTA) and DEIC committees. The subject area subcommittees were made up of teachers, parents and administrators. In addition, the 65+ members held a public hearing to seek input before making their recommendations. The presentation for the DEIC and summary documents of all meetings, including the IMTA is provided in the background and provides the process the committees followed.
