The District 23 Joint Calendar Committee met on March 12, 2026 and there are no recommendations to modify the 2025-26 School Calendar.

In reviewing the 2026-2027 Calendar, there were three specific recommendations:

1) Return from Winter Break

Utilizing only 1 Institute Day in collaboration with District 214 and other feeder Districts on January 4, 2027 allows us to resume on January 5, 2027 and maintain our Institute Day on April 6, 2027.

2) Non-Attendance Day Monday, March 29, 2027

The committee determined that Monday, March 29, 2027 should be designated as a day of non-attendance to extend our Spring Break window one day and provide additional time for families who may be travelling over that time.

3) Last Day of School - June 3, 2027

These changes result in the movement of our last day of school to Thursday, June 3, 2027. This provides space for a snow day if necessary without shifting the last day to the second week of June.

**Recommendation:** Approve the REVISED 2026-27 School Calendar for posting and publication.
