TOPIC: Purchase of i-Ready Instructional and Diagnostic Licenses

RECOMMENDATION:

Move that the Board of Education approve the recommendation to purchase math and reading i-Ready Instructional and Diagnostic Licenses for K-8 students from Curriculum Associates, for a total cost of \$110,789.20.

RATIONALE:

The purchase of i-Ready Diagnostic Assessments will provide all kindergarten through eighth grade students with a State of Michigan approved benchmark assessment three times a year. This will provide teachers with information about their students' strengths and weaknesses in reading and math. The i-Ready Instructional Licenses will be used for targeted students at the elementary and secondary levels.

BUDGETARY INFORMATION:

The funding for this purchase will come from a combination of Early Literacy Grant funds, 31a At-Risk state funds, and Academic Services Department funds. This total reflects a discount of \$24,322.30 in reduced pricing per license, and free shipping for the print materials.
