

To Mr. Larsen and our School Board,

Happy 4th of July!

Here is our end of the year status for the 25-26 year.

25-26 - We traveled 13,792.50 miles doing reimbursable trips. We had 368 trips for the year.

25-26 - We traveled 13,625.50 miles doing non-reimbursable trips. We had 142 trips for the year.

25-26 - We traveled 16,066.50 miles doing non-reimbursable trips in the little buses. We had 146 trips for the year.

25-26 - Our shop did 256 work orders for the 25-26 school year not counting all the 60 days and annual inspections they do on the buses throughout the year.

25-26 - We had 255 tickets for the year. Out of the 255 tickets we wrote, 125 were suspensions.

25-26 - We lost 11 employees in our department. We wonder how we ever got kids back and forth to school. No wonder we are so tired.
