RE: Finance Committee Meeting

Recommendation: I would like to schedule a finance committee meeting in August to review the tentative FY2027 budget.

Background:

- I will be presenting the FY2027 Tentative Budget to the Board of Education at the August regular board meeting.
- I would like the Finance Committee to review the tentative budget in greater detail prior to the board meeting to provide an opportunity for discussion and questions.
- In my experience, reviewing the budget with the Finance Committee beforehand helps make the regular board meeting more efficient and allows for a more informed budget presentation.
- I recommend scheduling a Finance Committee meeting on Tuesday, August 18, 2026, at 5:30 p.m., approximately one hour before the regular board meeting, if the committee members are available.
