Dear FOIA Officer,

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140/1 et seq.), I am requesting access to and copies of the following public records possessed by Joliet Township High School District 204:

All executed contracts, purchase agreements, and purchase orders with **Professional Learning/Development** services including any exhibits, addenda, or amendments that are in effect or have been in effect in the last 3 years.

For purposes of this request, professional learning or professional development services include agreements with providers, publishers, vendors, or government entities that supply:

- Professional development, training, or coaching provided by a curriculum publisher as part of, or in connection with, a curriculum or instructional materials contract.
- Professional development, training, or coaching provided by a third-party vendor or service provider supporting curriculum implementation.
- Professional development, training, or coaching related to teaching content or instructional practice that supports classroom instruction.
- Professional learning, professional development, training, or instructional services provided by state agencies, state-affiliated organizations, regional education service agencies, regional education offices, or similar regional or state entities.

This request includes agreements where professional learning or professional development services are included as part of, bundled with, or incorporated into a broader curriculum, instructional materials, or instructional services contract, including services described in scopes of work or exhibits even if such services are not the primary purpose of the agreement.

I am requesting existing, already maintained electronic records (without copying, scanning, or printing).

If this request was misrouted, please forward to the correct contact person and reply to this communication with the appropriate contact information.

Should this request be denied wholly or partially, please provide a detailed justification for each decision, citing specific exemptions. Additionally, I request that all segregable portions of otherwise exempt material be provided.

Should you need further information or clarification to expedite this request, do not hesitate to reach out.

Thank you for your attention and cooperation. I look forward to your prompt response within the statutory period.

Sincerely,

Justin Wenig

[You don't often get email from [records@getsunlightaccess.com](mailto:records@getsunlightaccess.com). Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification> ]

CAUTION: This email was sent by someone outside of JTHS District 204. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Records Officer,

I hope you are doing well. Thank you for your time and for the work you do.

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140), I am requesting an electronic summary of purchase orders (not the individual purchase orders themselves) issued by Joliet Township High School District 204 from 12/1/2025 through February, 28 2026.

This report may also be referred to as an accounts payable summary, check summary, check register, check warrants, vendor payment summaries, expenditure/disbursement reports or vendor analysis report. Any spreadsheet or report that lists vendor names, brief descriptions of purchases, and total amounts would be fully responsive to this request.

If available, please include:

- Vendor name
- Description of purchase or payment
- Total price or amount paid

If vendor names are coded, please include the code key if it's easily available. We're happy to accept whatever form this data is already maintained in — raw exports or standard reports (Excel, CSV, or PDF) are perfectly fine.

If another department is better suited to handle this request, I'd appreciate it if you could forward it to them or share their contact information.

If any part of this request is withheld, please provide the specific statutory exemption and release all non-exempt portions.

To ensure prompt follow-up, please send any correspondence regarding clarifications, extensions, online portal access, and response letters to [records@sunlightaccess.com](mailto:records@sunlightaccess.com) and reference: FR:39115
