Credit Recovery/Tutoring

We started credit recovery classes June 1st - June 30th. We have 22 students registered for credit recovery for the High School. They are currently working toward recouping lost credits from the school year.

We are continuing to work on development for our Tiger Success Center. We also have finished up student/family interviews for our incoming success students.

Athletics

Our athletic programs are in full swing to start the summer. We are looking forward to another successful start to the school year.
