

## **Henderson ISD Board Background**

**Subject:** Consider the approval of addition to high school flooring project - Culinary Arts Room 319

---

**Presented for:**      Action   X  

**Report Only** \_\_\_\_\_

### **Background Information**

The Board previously approved flooring replacements at the high school band hall and choir room. Following that approval, Career and Technical Education identified a culinary arts room that needed to be addressed. The work is being added to the previously approved flooring project. The funding for this addition will be covered within the CTE budget and does not require a budget amendment.

### **Recommendation**

It is recommended that the Henderson ISD Board of Trustees approve the addition of \$6,780 for the Culinary Arts Room #319 flooring.
