## Wrapping Up

We have 18 days of learning and fun left for the 2025-26 school year. We are working hard to finish the year strong with a variety of activities and learning experiences.

## Summer Kids Care

Our new summer Kids Care program is filling up fast, with 21 students already signed up. We are currently seeking additional staff to provide meaningful student learning and recreational opportunities designed to enhance students' social, physical, cognitive, and motor skills.

## This week...

★ The reading and science MCAs are complete. Math MCA tests will take place from April 28 to 30. The final day for testing is April 30. The results are embargoed until October or November.

## "What Day Is It?" — This Week in the Library & Entryway

A fun heads-up from Donna Groettum: next week's "What Day Is It?" themes are ready to roll in the library and entryway. Pull a matching book, lean into the fun, and encourage your students to do the same:

- Monday, April 27 — 🏆 Baseball (and other sporting books)
- Tuesday, April 28 — 🦸 Super Hero (capas welcome and encouraged!)
- Wednesday, April 29 — 🐦 Birds (no live birds, Donna promises 😊)
- Thursday, April 30 — 🐎 Kentucky Derby Day (books about horses)
