

Fruitdale Elementary School
SITE Council Meeting
February 2, 2017

1. School Size:

December 2013	356 Students
December 2014	358 Students
December 2015	336 Students
December 2016	380 Students

February 2014	358 Students
February 2015	364 Students
February 2016	337 Students
February 2017	379 Students

Our student population has been very consistent this year. At this time we have 42 students more than we did last year at the same time.

2. Technology/Jog-A-Thon

- a. Chromebooks are in. We now have a cart per grade level and an extra in Title
- b. Tech Committee: Keyboarding Needs

We have ordered enough chromebooks to have in each commons area so they are always available. Our Tech committee has been looking into programs for our students. They are finding that free ones have too many ads. Teachers like Dance Mat Typing & Typing Club but they are not user friendly for the younger grades. Room 108 teaches keyboarding skills with music.

3. Title One

- a. 100% Meetings
- b. 20% Meetings Rotation
- c. Where are we with Student Data

There have been grade level meetings going over dibbles data, testing is showing some growth. February 9, there will be a meeting going over Red Zone kids and where to place them in Rise n Shine reading groups.

4. SBAC

- a. Training
 - i. Depth of Knowledge/Last year's scores
 - ii. Training

We have a grant for 2500.00 to bring staff in after school is out to offer more training.

5. Attendance:

- a. How can we address attendance school-wide?
 - i. Overall attendance Average
 - ii. Chronic Absent Student

We are coming up with strategies for next year during Open House to stress the importance of student attendance. We also may start a contest by class to increase attendance. We would like to make a chart and keep it in the office for all students to see (parents also). The winning class would get a party. (Ice cream or pizza was suggested). We would also like to make attendance a big deal during monthly assemblies. We would like to give out prizes for perfect attendance and being on time. It may be a visual motivator.

6. Family and Community Involvement Spotlight Indicators

- i. PTO
- ii. Volunteers

At Open House next year we will do something to get more parents involved in PTO. We would also like parents to log in to IXL or AR to help them understand more of what students do at school.

7. Staff Development Opportunities

- a. Tech Conference (Feb. 22-24)
- b. Shannon McCaw Math Strategies (Feb. 27)
- c. RTI Conference (April 27-28)
- d. Math Studio

We went over the upcoming conferences.

8. Upcoming Events
