BACKGROUND INFORMATION

Each year, the Board must approve a date and time for public hearings to set the tax rate and budget for the next fiscal year. HB3 requires us to submit our certified taxable values to TEA to calculate our maximum compressed rate (MCR), which is used to determine our M&O tax rate. TEA will make MCRs available on or before August 5th. Once we receive the certified taxable values from the appraisal district in late July and the MCR from TEA, we are required to calculate and publish a notice no later than 10 days or earlier than 30 days before the set meeting date. We are requesting that our public hearing be held on the same day as our regular August Board meeting, Monday, August 24th, at 6:00 PM.
