Re: Financial update including a review of 2017-18 financial statements

I would like to provide a financial update including a review of our 2017-2018 financial statements at the Board of Education Finance Committee meeting on Monday, October 15, 2018.

I will bring a hard copy of the financial statements to the meeting, go over some of the highlights and answer questions that the Board may have. Representatives from the school district's auditing firm Plante Moran will be in attendance to discuss the financial statements in detail. We anticipate receiving an electronic copy of the financial statements on Friday, October 12, 2018, and will email the Board a copy as soon as it is available.

Please contact me if you have any questions.
