Re: Middle School Report

- Staff and students are preparing for the April MCA testing. We have implemented an MCA Raffle as an incentive for students to do their best on the tests.
- March 24th will be our Students vs Teachers reward Day. The winning student basketball and volleyball teams at each grade level will compete against a team of teachers.
- March 25th Teachers will have a 1.5 hour professional development session titled “Why is it so Difficult to Talk About Race”.
- Students and Staff are looking forward to Spring Break.

If you have any questions about these activities or anything else please feel free to contact me.
