

Middle School Board Report

October 2023

BACK TO SCHOOL SUCCESS

The UMS students and staff are off to a strong start to the school year as they continue to build relationships and understand school expectations. The staff also introduced themselves with “walk up songs” on the first day of school during an assembly to connect with the students.

HOMECOMING

The Unity Homecoming celebration at the Middle School was a huge success as the students participated in dress-up days and made signs to display their Eagle Pride during the homecoming parade. The amount of school spirit was truly amazing and something to be proud of.

TEACHING AND LEARNING

Students have been learning through many fun and engaging activities that allow them to use their creativity and imagination. These displays of learning have been seen in classrooms, hallways, and on the sidewalk on the playground. There are so many talented students at UMS!
