Pacific High School Principal's July Board Report

There isn't a lot to report, but steady progress is being made to get things ready for the new school year.

- A new bell schedule that separates middle school and high school lunches has been made.
- Wendy Tomko and a small group of students represented the Future Farmers of America (FFA) in the Port Orford Fourth of July Parade.
- Boys and Girls basketball open gyms are taking place on Tuesdays and Thursdays.
- The Student Handbook is almost finished with this year's updates.
- Senior transcripts and most freshman transcripts have been corrected. The sophomore and junior transcripts are currently being worked on.
- The master schedule is still being developed.

We're looking forward to welcoming everyone back and getting the school year underway.
