Milk Prices for 2023-24 School Year	Food Service is recommending the adjustment of \$0.05 for student milk prices for all sites, for a la carte purchases. The Board has approved increasing a la carte prices as needed to meet cost adjustments. We recently went out for a milk bid and received 3 bids and each bid came back with an increase of at least \$0.05 and as much as \$0.12, The .05 cent increase will help defer the increase in cost. The cost for a la carte milk will increase from \$0.50 to \$0.55/carton.
