### Elementary Touchpoints

#### September Board Meeting, 2023

Welcome Days were very well attended. Thank you for continuing to support this positive connection to families. It sets us on a great course of communication and partnership with families.

The first formal days of school went well, and preschool starts Monday, 9/11. Welcome to our littlest learners!

Elementary students are participating in Safety Days, which provides consistent expectations and safety highlights for all K-4 students and staff. This is the time for bus evacuation drills, as well as common areas like the playground, lunchroom, hallways, bus, and restrooms.

We continue to be short-staffed and are working hard to fill remaining support positions. Staff have been excellent filling in gaps when/where needed.

Overall, it's been a great start to the 2023-24 school year.

Respectfully submitted—
