Board Meeting

Board of Trustees,

As a result of the 2025 Bond Election, the District, via Cooperative Purchasing Agreements, requested proposals from three (3) leaders in lighting and energy solutions to provide proposals to complete scope at West Middle School, Amber Terrace Elementary School, and Woodridge Elementary School. Proposals were received from E3 Entegral Solutions and Aquila Environmental. Additionally, we requested a proposal from CEG solutions; however, we received no response. The two (2) submitted proposals were deemed aligned with the District and Community goals, along with being financially competitive. Staff recommend that the Board approve the competent vendor with the lowest proposal, E3 Entegral Solutions, and give authorization to enter into contract for the Lighting replacement scope in support of the 2025 Bond Program.

*The proposals received are listed below from lowest to highest:*

1. *E3 Entegral Solutions: \$438,777.00*
2. *Aquila Environmental: \$480,103.87*
3. *CEG Solutions: NO RESPONSE*

Thank you for your consideration.

WE FOCUS OUR ENERGY  
ON SAVING YOURS.
