ISD #2143

Greetings School Board Members,

Here are a few updates from the Middle and Elementary Schools:

- **Color and Fun Run Celebration:** WEM Pie put on a great color run for the middle schoolers and fun run for the elementary students on the last day of school. It was a fantastic way to celebrate the hard work put into fundraising and also the school year as a whole. Seeing the students running around with each other having fun one last time is something that we will all remember! Thank you WEM Pie for bringing back a fundraiser this year and being so involved with our schools!
- **Moving Day:** Hats off to all the teachers for executing the plan and getting Morristown moved over to Waterville. The elementary staff had a lot of moving to do in Waterville as well, so it was a very busy last few days without students. It was a lot of work and it took teamwork to make this all happen in a day and a half. There is still plenty to do over in Waterville so we will dedicate time during workshop week so teachers have some time in their classroom to unpack and set up their rooms.
- **PBIS Celebrations:** PBIS teams at both sites ended the year with all school assemblies to celebrate once again the hard work and positive behavior our students put on display during the month of May. At the middle school the students won the last teacher vs. staff competition which solidified them as the year long champions of our student vs. staff competitions. Both schools worked really hard to implement things this year to recognize positive behavior and we look forward to seeing if we will earn Exemplar status at both sites again for this past school year. Way to go students and staff for staying positive and dedicated to making our schools a fun, safe place to learn!

Thank you,  
Myles Knutson
