

UVALDE CISD

TO: Members of the Board

FROM: Jennifer Torres, CCMR Director

PRESENTER: Jennifer Torres, CCMR Director

MEETING DATE: July 20, 2026

SUBJECT: Discuss to Approve the MOU with Southwest Texas College

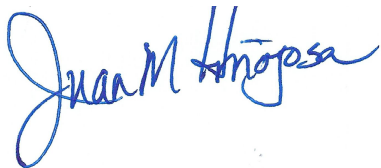

BACKGROUND:

Throughout the 2025-2026 school year, Uvalde CISD has collaborated with Southwest Texas College to develop and refine Memorandums of Understanding (MOUs) supporting dual credit programming, including the district's P-TECH pathway and other academic and technical dual credit opportunities. These agreements establish the framework for program implementation, define the responsibilities of each institution, and ensure compliance with state and program requirements. This partnership supports multiple college and career pathways, expands access to dual credit opportunities for students, and reflects the district's continued commitment to providing rigorous postsecondary experiences that lead to college credit, industry credentials, and workforce readiness. SWTXC has been a longstanding and valued partner in serving the educational needs of the Uvalde community, and these agreements continue that collaborative effort to benefit students and families.

RECOMMENDATION:

Staff recommends approval of the Memorandum of Understanding (MOU) with SWTXC to support the district's Education PTECH pathway and expand dual credit opportunities for students pursuing careers in education.

Superintendent's Recommendation: _____Approval _____Rejected

Dr. Juan M. Hinojosa, Interim Superintendent
