

HMH Into Literacy 6-8 ELA Curriculum Adoption

BACKGROUND

The MPS 6–8 ELA Committee recommends the adoption of the HMH Into Literature curriculum for grades 6–8. This recommendation is based on a comprehensive review process that included alignment with the MPS vision for High Quality Instruction in English Language Arts, input from 6–8 ELA teachers, correlation to state ELA standards, evaluation of research-based literacy practices, and consideration of the program’s ability to strengthen students’ critical thinking, reading, and writing skills in support of college and career readiness.

An overview of the HMH Into Literature program was presented to the Board of Education at the Department Meeting on April 13, 2026.

It is recommended that the Board approve a 3-year contract for the HMH Into Literature program at a cost not to exceed \$210,119.64, to be funded through the General Fund Curriculum Budget.

RECOMMENDATION

Move to approve a 3-year contract for the HMH Into Literature program at a cost not to exceed \$210,119.64, to be funded through the General Fund Curriculum Budget.
