

**Box Elder School District**  
**Request for LINQ ERP Contract Approval**

**Recommendation:** It is recommended that the Board of Education approve the LINQ ERP Contract

**Background:** LINQ ERP is the software provider for accounting, budgeting, payroll and human resource platforms. In 2022, the District signed a 3-year contract with LINQ ERP and this contract is an extension of that agreement.

**Policy Implications:** None

**Financial Implications:** The annual contract price increased by \$6,000 per year. The contract price will be covered by existing budget.

**Staff Implications:** None at this time.
