

**BELDING AREA SCHOOLS  
BOARD OF EDUCATION  
MEETING**

**MARCH 16, 2026**

**VOLUME LXIII**

**FOR ACTION**

**SUBJECT:** Chromebook Purchase

**Background and Findings:**

The Technology Department is requesting to purchase Chromebooks this year as part of the replacement cycle. Six hundred Chromebooks will be replaced this year, and then 600 Chromebooks next year.

Quotes were received for Dell and Lenovo products through the State of Michigan bid program. We would like to purchase the Dell computers as they are typically less expensive and easier to repair.

We will be spending no more than \$150,000.00 for this year's purchase of the 600 replacement Chromebooks.

**Recommendation:**

It is recommended that the Board approve this request.
