

Under State Board of Education Rule, completing required continuing education each year of service is a basic obligation and expectation of any sitting board member.

As Board President, I am required to announce the name of each member who:

- Has completed the required continuing education
- Has exceeded the required continuing education, and
- Is deficient in meeting the required continuing education

The requirements for training are measured as of the first anniversary of the date of the trustee's election or appointment or two-year anniversary of his or her previous training, as applicable.

There are eight training areas for board member continuing education:

- 1) Local District Orientation
- 2) Orientation to the Texas Education Code
- 3) Post-Legislative Update to the Texas Education Code
- 4) Team Building
- 5) Additional Continuing Education
- 6) Evaluating Student Academic Performance and Setting Goals
- 7) Identifying and Reporting Abuse, Trafficking, and Other Maltreatment of Children
- 8) School Safety

To the extent applicable to each board member, I will announce the completion of deficiency as to required training.

For members who still have time remaining to complete required training, I will announce those board members who have scheduled timely training and those who have not yet scheduled the training.

At the conclusion of this announcement, I will announce any board member's training in excess of the continuing education requirements.
