BOARD MEETING DATE:	April 20, 2026
AGENDA ITEM:	Consider Localized Policy FDB (LOCAL)
AGENDA LOCATION:	Information Only ▾
PRESENTER TITLE & NAME:	Dr. Courtney Carpenter
DEPARTMENT:	Administration
PRIORITY FOCUS AREA:	Student Learning ▾

BACKGROUND INFORMATION

As part of the planning process for the opening of Legacy High School in the 2027–2028 school year, the District is reviewing localized policy FDB (LOCAL) regarding the sibling transfer option. The current policy language is more restrictive and could unintentionally impact students who utilize the sibling provision for one year but are not eligible to continue in subsequent years.

The proposed revision would allow a qualifying sibling to reapply annually, providing the opportunity to remain at the same high school they initially attended in 2027-28 under the sibling provision, contingent upon capacity. This adjustment is intended to promote continuity and stability for families while maintaining appropriate enrollment management practices.

The district brings this discussion to the Board of Trustees to ensure everyone is aware of the current policy language and determine if there is a desire to amend.
