

Mission

Nurturing and empowering every learner, every day

Vision

To cultivate a joyful, inclusive community that fosters a love of learning and inspires confident, courageous students

Core Values

Respect

Respect everyone through empathy, kindness, dignity and fairness.

Community

Build lasting relationships across our community to foster a culture where everyone thrives.

Creativity

Empower each other to lead with curiosity and solve with creativity.

Belonging

Ensure everyone belongs, that every voice matters, and every person is safe to show up exactly as they are.

Equity

Recognize and respond to diverse needs, removing barriers and providing access necessary for everyone to flourish.

Achievement & Knowledge

Believe knowledge is realized through continuous opportunities for everyone to achieve their fullest potential.

Strategic Goal Target Areas

Student Learning & Student Experience

Provide all students access to a guaranteed, high-quality, engaging curriculum.

Learning Environment & School Culture

Enhance systems, structures, and resources to support and strengthen schools that promote a communal sense of safety and belonging.

Talented & Invested Staff

Develop and support highly committed and fulfilled staff in all positions.

Communication & Community Engagement

Engage the community through enhanced involvement and communication.

Finance & Facilities

Create a transparent budget plan that makes financial data easy for everyone to access and understand.

Develop a master facilities plan to tackle urgent upgrades and design future-ready spaces that embody our district values.
