Subject: Auction update

To: Jeremy Tammi <jeremy.tammi@isd363.org>

Good Morning Jeremy,

Thanks for the update last week. We are looking forward to the zoom meeting Wednesday evening.

As we discussed last week, the only thing that has changed in our proposal would be the estimated time for auction preparation and cataloging. Based on the use of our new AI base software, we feel the cataloging sale set-up time would be less than the estimated 300-400 hrs that was stated in the proposal. I think based on what we saw recently in Mandan ND the estimate would be 200- 250 hrs. Please feel free to call me if you have any questions.

Thanks!

Dave
