Agenda

Federally Funded Programs

- Title I, Part A - Improving Basic Program
- Title I, Part C – Education of Migratory Children
- Title I, Part C – Perkins V: Strengthening Career and Technical Education for the 21st Century
- Title II, Part A – Supporting Effective Instruction
- Title III, Part A – English Language Acquisition (ELA) & Immigrant
- Title IV, Part A- Subpart 1 Student Support and Academic Enrichment

Title I, Part A

Improving Basic Programs

Intent and Purpose

- The purpose of Title I of ESSA is to provide all children significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps. Title I, Part A, supports campuses in implementing either a schoolwide program (SWP) or a targeted assistance program (TAP).

Intended Program Beneficiaries

- The intended and program beneficiaries are students who experience difficulties mastering the State's challenging academic standards.

Title I, Part A

Improving Basic Programs

Allowable Use of Funds

- Title I, Part A, funds must be expended for programs, activities, and strategies that are scientifically based on research and meet needs (identified in the campus' comprehensive needs assessment process) that are listed in the CIP.
- Funds may be used to increase the per-pupil amount allocated to each Title I, Part A, campus or to serve new Title I, Part A, campuses. Regardless, a campus with a lower low-income percentage may not receive a higher per-pupil allocation than a campus with a higher low-income percentage.

Title I, Part C

Education of Migratory Children

Intent and Purpose

- Support high-quality and comprehensive educational programs and services during the school year and, as applicable, during the summer or intersession periods, that address the unique educational needs of migratory children.
- Ensure that migratory children who move among the states are not penalized in any manner by disparities among the states in curriculum, graduation requirements, and state academic content and student academic achievement standards.
- Ensure that migratory children receive full and appropriate opportunities to meet the same challenging state academic standards that all children are expected to meet.

Title I, Part C

Education of Migratory Children

Continued Intent and Purpose

- Design programs to help migratory children overcome educational disruption, cultural and language barriers, social isolation, various health-related problems, and other factors that inhibit the ability of such children to succeed in school.
- Ensure that migratory children benefit from state and local systemic reforms (ESSA Title I, Part C).

Intended Program Beneficiaries

- Intended program beneficiaries are migratory children, ages 0 through 21, and their families.

Title I, Part C

Education of Migratory Children

Allowable Use of Funds

- Recipients of MEP funds will perform all state-identified program functions, such as identification and recruitment, data collection into the NGS, and establishment of a migrant PAC.

Title I, Part C, Migrant Statute Requires the Following:

- The activities and services your organization funds must align with the results of the statewide comprehensive needs assessment and the requirements of the statewide service delivery plan.
- We must first use MEP funds to meet the identified needs of migrant children that result from their migratory lifestyle and to permit these children to participate effectively in school.
- We must use MEP funds to meet the unique needs of migrant children that are not addressed by services available from other federal or nonfederal programs.

Title I, Part C

Perkins V: Strengthening Career and Technical Education for 21st Century

Intent and Purpose

- Purpose of career and technical education (CTE) is to develop more fully the academic knowledge and technical and employability skills of secondary education students and postsecondary education students who elect to enroll in career and technical education programs and programs of study.
- LEAs must demonstrate that they are fulfilling requirements for use of funds with Perkins grant award or a combination of Perkins grant award and other funds.

Intended Program Beneficiaries

- The intended program beneficiaries are all students in middle grades and up who express an interest in exploring various career opportunities or who wish to follow one of the LEA provided career pathways or programs of study.

Title I, Part C

Perkins V: Strengthening Career and Technical Education for 21st Century

Allowable Use of Funds

Carl Perkins funds shall be used to provide CTE programs that:

- Develop academic knowledge and technical employability skills.
- Support CTE programs of sufficient size, scope and quality to be effective.
- Provide career exploration and career development activities;
- Provide professional development for a wide variety of CTE professionals.
- Provide within CTE the skills necessary to pursue high-skill, high-wage, or in-demand industry sectors or occupations.
- Support integration of academic skills into CTE programs.
- Plan and carry out elements that support implementation of CTE programs and programs of study that result in increased student achievement.
- Develop and implement evaluations of the activities funded by Perkins.

Title II, Part A

Supporting Effective Instruction

Intent and Purpose

- Increase student achievement consistent with the challenging State academic standards.
- Improve the quality and effectiveness of teachers, principals, and other school leaders.
- Increase the number of teachers, principals and other school leaders who are effective in improving student academic achievement in schools.
- Provide low-income and minority students greater access to effective teachers, principals, and other school leaders.

Intended Program Beneficiaries

- Intended beneficiaries are teachers, principals, and other school leaders.

Title II, Part A

Support Effective Instruction

Allowable Use of Funds

- LEAs must use Title II, Part A, funds to implement one or more of the following allowable activities specifically authorized in statute:
- Developing or improving a rigorous, transparent, and fair evaluation and support system for teachers, principals, or other school leaders.
- Developing and implementing initiatives to assist in recruiting, hiring, and retaining effective teachers in high-need schools.
- Recruiting qualified individuals from other fields to become teachers, principals, or other school leaders.
- Reducing class size to a level that is evidence based and used to improve student achievement through the recruiting and hiring of additional effective teachers.
- Providing high-quality, personalized professional development that is evidence-based for teachers, instructional leadership teams, principals, or other school leaders, that is focused on improving teaching and student learning and achievement.

Title II, Part A

Support Effective Instruction

Continued Allowable Use of Funds

- Developing programs and activities that increase the ability of teachers to effectively teach children with disabilities, including children with significant cognitive disabilities and English learners.
- Providing programs and activities to increase the knowledge base of teachers, principals, or other school leaders on instruction in the early grades and on strategies to measure whether young children (through age 8) are progressing.
- Providing training, technical assistance, and capacity-building to assist teachers, principals, or other school leaders with the selection, design and data analysis of assessments as tied to improving student instruction and academic achievement.
- Carrying out in-service training for school personnel to meet the mental health needs of students.
- Providing training to support the identification of students who are gifted and talented.

Title II, Part A

Support Effective Instruction

Continued Allowable Use of Funds

- Supporting the instructional services provided by effective school library programs.
- Providing training for all school personnel regarding how to prevent and recognize child sexual abuse.
- Developing and providing professional development and other comprehensive systems of support to promote high-quality instruction and instructional leadership in science, technology, engineering, and mathematics (STEM) subjects.
- Developing feedback mechanisms to improve campus working conditions.
- Providing high-quality professional development on effective strategies to integrate rigorous academic content, career and technical education, and work-based learning (if appropriate).
- Carrying out other activities that are evidence-based.
