Re: **Custodial Supplies and Equipment Bid for 2005-2006**

Attached are the results from the annual custodial supply and equipment Request for Proposal (RFP) effective from March 1, 2005 through February 28, 2006. The prices noted in **bold** are those that are recommended for acceptance by the Board of Trustees. Notes attached to the bid indicate any variance to the specifications as set forth in the bid documents. The lowest prices were accepted when items were bid as specified.

Recommendation: **That the Coppell ISD Board of Trustees approve the vendors and prices as quoted at the January 24, 2005 board meeting.**
