### Elementary Touchpoints

June Board Meeting, 2024

Hats off to a great year!

Each of the buildings held an end of year assembly, honoring students with citizenship and academic achievements. Congratulations to all students recognized throughout the year and at our culminating events.

Field trip and extension activities were many and very well enjoyed. Special thanks to Jeff Granrud and the wealth of volunteers to support the Joe Woitalla Fishing Expo experience for our 4<sup>th</sup> graders. Easily 100-150 fish caught, and believe that everyone caught (and released) at least one fish.

Kindergartners had their chance to showcase musical talents in late May—a full house with lots of proud family members in the audience.

FastBridge training took place last week for teacher leads in each building, which went well.

Staffing—Almost fully staffed! Working on final hires, but feeling like we're in a manageable place for elementary staff. We had an internal shift in position due to the open first grade and low enrollment in Kdgn. Holly Adams will be moving to first grade at Humphrey from Kdgn, unless enrollments significantly increase before August. Also, Sarah Schanus will be returning from leave and stepping into the intervention position at Winsted Elementary.

Respectfully submitted—

Jen Olson
