

02/14/22

HLWW Board Report

Since we last met:

- Finals went smoothly for the end of 1st semester. Overall I'm very proud of the work our teachers, staff, and students did during this 1st part of the year.
- Study Tables have had a significant impact on our students, their grades, and overall progress.
- Winter sports seasons will soon be wrapping up. Soon we'll be in the playoffs. Again - I'm always impressed with our coaches and players in how they continue to work hard in the face of difficult seasons..
- My SST team and I presented at and attended the MASSP Conference the last week of January on our Student/Community Symposium. Great responses and successful presentations that occurred that day. We were able to hear from Bartui Kafelle, Manny Scott, Commissioner Mueller, and Ronn Nazoe. A great deal was learned in the breakout sessions. We always appreciate the support in attending this each year.
- We had our 3rd of 4 Safe Schools meetings on 2/4/22.
- SnoFest was last week. Congrats to Arianna Paul and Zeke Karels who were crowned Queen and King.
- The Sadie Hawkins Dance was held on Saturday. Approximately 200 students were in attendance. It was great seeing them dance, have fun, and just be kids.

Coming up:

- Band - Solo/Ensemble is today.
- Choir Large Group Contest next week
- Parent Teacher Conferences are 2/22
- FFA Week is next week.
- 2/28-3/2 I'll be in Washington, DC working with our Senators and Representatives advocating for more support in education.
- ACT Exam is being held on 3/8.
- Spring Break is going to be here soon.
- Scheduling is now underway...

Have a great week.

Jason Mix
