

PROPOSED REVISIONS

Extracurricular Activities Absences

The District shall make no distinction between absences for UIL activities and absences for other extracurricular activities approved by the Board.

A student shall be allowed in a school year a maximum of 30 extracurricular absences not related to post-district competition; however, the District shall not limit the number of absences for post-district, state, or other competition.

An accurate record of extracurricular absences for each student shall be maintained at each campus, and the campus principal shall approve additional days beyond the 30 for an eligible student in accordance with administrative regulations.

~~The District shall not schedule nor permit students to participate in an extracurricular activity or a public performance that would require the student to be absent from class in any course more than 17 times during the school year. After 17 absences, the student must submit the form for a waiver request for additional extracurricular days [see FM(EXHIBIT)]. Criteria used to determine approval of up to five additional absences include:~~

- ~~1. Eligibility to participate in District level competition or above; and~~
- ~~2. A grade of 70 or above.~~
