(1) Pursuant to Public Act 96-0501, the District's DSEB will increase by the lesser of CPI or 5% each year starting with levy year 2009.

The applicable CPI increase has been applied to levy years 2009-2026 and assumed to be 0% per year thereafter.

If the District issues limited tax bonds with debt service structured assuming a growing DSEB, it will need to pass resolutions, perhaps annually, to capture the additional DSEB levy available from CPI growth.

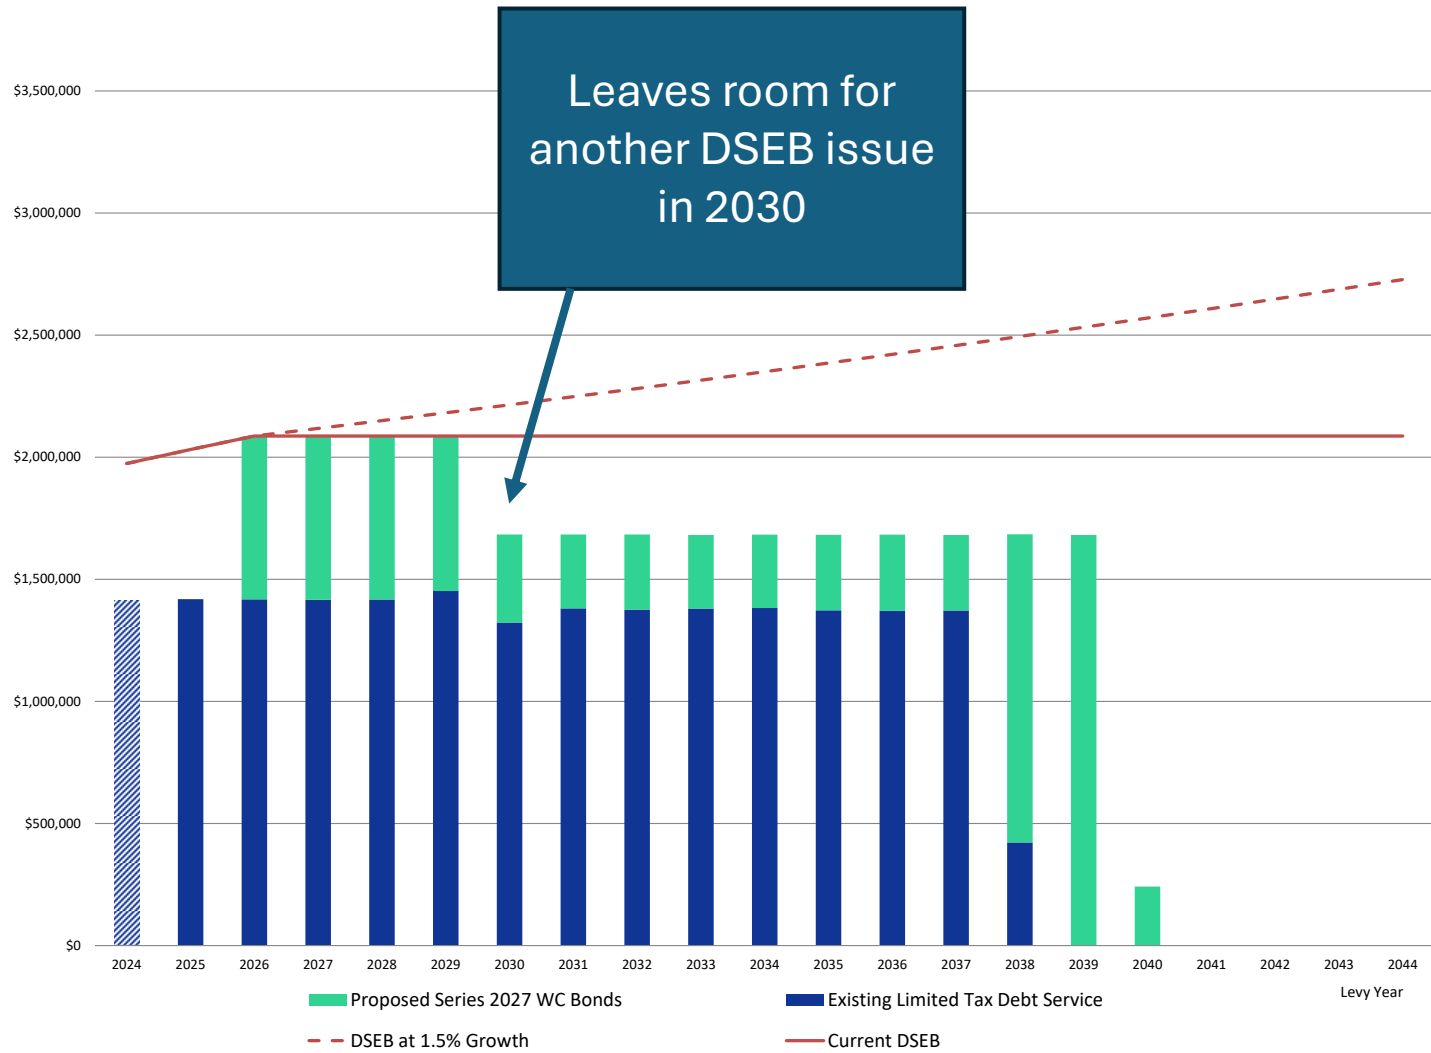

If the CPI growth is less than estimated on average, the District will have to pay debt service in excess of the DSEB from funds on hand.

(2) Rates based upon market conditions as of March 30, 2026 and recent bond sales which PMA believes to be accurate and reliable. Estimated TIC = 4.03%.

NOTE: Scenarios where a greater portion of the overall debt is issued in advance of the expenditures of the proceeds will likely result in higher fees earned by the investment manager of the debt proceeds.

 - Voter-approved bonds do not count against it as long as the Board holds a public hearing

NON-REFERENDUM GENERAL OBLIGATION BONDS

- Since the District is subject to the tax cap, the annual debt service (principal and interest) payments on certain non-referendum GO bonds are limited by its Debt Service Extension Base (DSEB)
- Original DSEB was determined in the levy year in which tax caps became law and was equal to the amount of non-referendum debt service levied for that year
 - The types of non-referendum bonds are described on the next slide
 - Maximum length of maturity is 30 years
- Public Act 96-0501, enacted in 2009, increases a district's DSEB annually by the Consumer Price Index (CPI)
 - Original DSEB: \$1,395,552
 - **DSEB for levy year 2026: \$2,086,196**

NON-REFERENDUM GO BONDS

- The following types of non-referendum GO bonds are subject to the District's DSEB:
 - Working Cash (for capital projects or operating capital)
 - If for capital, funds are abated (permanent transfer) to the O&M fund and then transferred to the capital projects fund
 - **The District's statutory working cash bond limit is \$8.1 million**
 - Funding (pays off a claim or liability like a land contract)
 - Tort
- All of these require a Bond Issue Notification Act (BINA) hearing
- Working Cash Bonds and Funding Bonds also require a back door referendum which is a 30-day petition process (10% of registered voters)
