

FCCLA

We are beyond proud to announce that Adelyn Scull has been selected to serve on the National Executive Council of FCCLA!

Chosen as one of only 10 National Officers from across the country, Adelyn will represent more than 270,000 FCCLA members nationwide during the 2026-2027 year.

This incredible achievement reflects her passion for leadership, service, and Family and Consumer Sciences. As she serves on the National Executive Council, Adelyn will proudly represent La Vernia ISD, the La Vernia community, and the great state of Texas on the national stage.

What began in La Vernia has grown into an opportunity to make an impact across the nation. We couldn't be more proud to see one of our own lead with integrity, purpose, and heart.

Congratulations, Adelyn! Your La Vernia family is cheering you on every step of the way.
