This Agreement is entered into this _____ day of _____, 2026 between Integrated Solutions Inc., dba iSi Environmental and dba iSi Industrial Services (iSi), a Kansas corporation, and Gravity Works Architecture (Client) (iSi and Client are each a “party,” and collectively the “parties”). Subject to and in consideration of the mutual promises, conditions, and agreements contained herein, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **NATURE OF ENGAGEMENT.** Client retains iSi to perform the professional services (the “Services”) described in the Proposal attached hereto (the “Proposal”), during the time(s) specified and at such location(s) (the “Site”) listed in the Proposal, as the same may be modified from time to time pursuant to this Agreement.
2. **EXCLUSIONS.** Except as expressly stated in the Proposal, as the same may be amended by the written agreement of the parties, the Services do not include and iSi has no obligation to perform Services (a) where such performance would involve materially increased cost or time resulting from a subsurface, hidden, latent, or physical condition at the Site that was not fully disclosed by Client and incorporated in the Proposal or was not known to iSi prior to entering into this Agreement; (b) for restoration of the Site resulting from the Services, including without limitation, from drilling, boring, or taking samples; or (c) involving the transportation, storage, treatment, remediation, or disposal of hazardous substances, pollutants, or contaminants, whether or not directly or indirectly generated from iSi’s performance of the Services, or that would cause or deem iSi to be a “generator,” “transporter,” “owner,” or “treater” of hazardous waste or hazardous materials or the “owner” or “operator” of any Site, as such terms are defined under applicable state or federal law. As between Client and iSi, Client warrants that title to all hazardous substances, pollutants, or contaminants originating on or removed from the Site will remain with Client and Client will not challenge its ownership of the same.
3. **CHANGES IN SCOPE OF SERVICES.** Client understands that by reason of the nature of the engagement, changes in the Services may be necessary or appropriate. Client may from time-to-time request changes in the Services, each of which shall be subject to iSi’s approval at iSi’s discretion. Except as prohibited elsewhere in this Agreement, iSi will be deemed to have accepted a change in the Services on the earliest of (a) iSi’s written acceptance or amendment to the Proposal; (b) when iSi or its delegee or subcontractor begins to perform the Services, as modified by the change; or (c) iSi commits resources or engages a subcontractor or incurs costs for the performance of the Services, as modified by the change. Additionally, changes in the Services may be necessary because a condition or event described in Section 3(a). 4. **STANDARD OF CARE.** Subject to the terms, conditions, and limitations of this Agreement, iSi will use commercially reasonable efforts to perform the Services in accordance with the Proposal, and to the extent not specified in the Proposal, in accordance with the generally accepted and currently recognized practices of its profession for like services in the locality where the Services are performed. Client’s acceptance of the Services and/or Deliverables occurs on the earliest of (a) the date when iSi demonstrates to Client that the Service and/or Deliverables conform to the requirements of this Agreement, (b) the date when Client has placed the Services or Deliverables to its beneficial use, or (c) ten (10) days after delivery of the Services or Deliverables and Client has not given iSi notice of the Service’s or Deliverable’s nonconformance with this Agreement. Upon a timely receipt of notice specifying in detail the nonconformance of the Services and/or Deliverables with the requirements of this Agreement, iSi will investigate the claim, and if iSi reasonably finds the Services or Deliverables to be nonconforming, iSi will re-perform the Services or correct the Deliverables. If iSi is unable to re-perform the Services or correct the Deliverables within a reasonable time, iSi will refund to Client the amount paid to iSi related to the portion of the Services or Deliverables subject to the nonconformity. 6. **DOCUMENTS.** Provided that Client complies with all of its obligations under this Agreement, including without limitation, payment obligations, Client may retain copies of the reports, technical drawings, specifications, plans, project manuals, training materials, and bid and contract documents prepared and delivered by iSi on behalf of Client with respect to the Services (the “Project Documents”), but excluding iSi’s internal memoranda, notes, or correspondence relating to the Services. Client may use the Project Documents only in connection with Client’s ownership and maintenance of the Site. Without limiting Client’s other obligations under this Agreement, Client may not and may not permit any other person to use, disclose, transfer, or rely upon the Project Documents, except as expressly permitted under this Agreement, as approved by iSi in writing at iSi’s discretion, or as required by applicable law. In no case will iSi's total liability to Client exceed the amount actually paid by Client to iSi related to the Services or Deliverables subject to the claim.

Each party will hold the Confidential Information of the other party in trust and confidence, and will not disclose the Confidential Information of the other party to any person, firm, or corporation, or use for its own business or benefit, except as necessary to perform an obligation under this Agreement. These obligations of confidentiality, non-disclosure, and non-use shall continue in full force and effect for ten (10) years after expiration or termination of this Agreement. Upon termination or expiration of this Agreement, each party, upon written request, will return to the other party all of the other party's Confidential Information within its possession or control, or at the other party's election, destroy the same, provided however that iSi may retain such Confidential Information as is reasonably necessary to comply with statutory and regulatory requirements applicable to iSi, including auditing standards, and Client may retain a copy of the Project Documents for use as licensed under Section 6. The obligations of this section do not apply to the extent that any Confidential Information (a) becomes generally available to the public other than as a result of the wrongful act of the receiving party; (b) was available to a party on a non-confidential basis prior to the disclosure to the party; (c) becomes available to a party on a non-confidential basis from a source other than the other party, provided that such source is not prohibited from transmitting the information to the party by any contractual, legal, or fiduciary obligation; or (d) is required to be disclosed by a court or governmental agency, provided that the party gives the other party prompt notice of such order and the opportunity to intervene, if allowed by law.

(b) **Non-solicitation.** Client understands that iSi's employees are assigned to render temporary service and are not assigned to become employed by Client. Client acknowledges that considerable expense has been incurred by iSi to recruit, train, and maintain its personnel. Accordingly, Client will not, during the term of this Agreement and for one year following termination or expiration, solicit or hire nor interfere with the employment relationship of any person who was an employee of iSi at any time during the term of this Agreement. In the event of such employment, Client agrees to compensate iSi the greater of \$25,000 or three months of compensation rate of such personnel.

12. **INDEPENDENT CONTRACTORS.** The parties acknowledge that Client and iSi are independent contractors, and that nothing herein shall be construed to establish any partnership, joint venture, fiduciary, principal/agent or any other relationship between the parties.

13. **NOTICES.** All notices provided for by this Agreement shall be made in writing either by actual delivery of the notice or by the mailing of the notice through the United States mail, certified mail, return receipt requested, to the address of the party listed in this Agreement (or such other address specified by the party upon not less than 30 days' prior written notice to the other party). Any notice delivered shall be deemed to be received on the date of its actual receipt by the party entitled thereto and any notice mailed pursuant to this paragraph shall be deemed received on the third day after the date of its mailing.

14. **MISCELLANEOUS.**

(a) **Force Majeure.** Except for Client's payment obligations under this Agreement, neither party will be liable for any failure or delay in performance under this Agreement which might be due in whole or in part, directly or indirectly, to any contingency, delay, failure, or cause of any nature beyond the reasonable control of such party. Such causes include, without limitation, fire, explosion, earthquake, flood or other weather, unavailability of necessary utilities or materials, strike, lockout, other labor difficulties, war, act of terrorism, riot, act of God, law, regulation, or order of government or other public authorities, failure of suppliers, or failure of the other party to perform an obligation hereunder.

(b) **Choice of Law and Venue.** This Agreement shall be deemed entered into in Sedgwick County, Kansas, and shall be governed by the laws of the State of Kansas. Any litigation between the parties arising out of or related to this Agreement shall be conducted exclusively in a court sitting Sedgwick County, Kansas. Neither party shall assert that another jurisdiction is a more convenient forum in which to litigate.

(c) **Binding Obligation.** This Agreement shall be binding upon and inure to benefit of the parties and their respective successors; provided, however, neither party shall assign this Agreement, in whole or in part, without prior written consent of the other. Except as expressly stated in this Agreement, no third party will be a beneficiary of the parties' obligations under this Agreement. iSi may delegate or subcontract the Services, in whole or in part, provided, however that iSi will remain responsible for the performance of its delegates and subcontractors.

(d) **Severability.** Whenever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under applicable law. However, if any provision of this Agreement is unenforceable or invalid under applicable law, such provision shall be ineffective only to the extent of such unenforceability or invalidity, and the remaining provisions of this Agreement shall continue to be binding in full force and effect.

(e) Integration and Amendments. This Agreement represents the entire understanding of the parties, and each party acknowledges there are no other warranties, representations, covenants, or understandings of any kind other than those expressly contained in this Agreement.
