C. Summary:

The Texas Education Agency Class size ratios in Kinder through 4th grade are 22:1 before applying for a waiver. Third grade has exceeded these ratios. We are not able to move a teaching unit from another grade due to their ratios, and we are committed to staying within the ratios for our teachers and students. We are requesting approval to add another section of 3rd grade to the Intermediate campus.

D. Budgetary Impact: Approximately \$65,000

This position was not budgeted for in the 2026-27 budget. The District will implement cost-saving measures to offset impacts to the fund balance to the extent possible.

E. Administrative Recommendation:

Move to approve the addition of a 3rd grade teaching unit at the Intermediate campus to stay within the TEA ratios of 22:1.
