Hello,

We are looking forward to the upcoming MPDG Program Leadership Team Meeting that will take place in Helena at the Radisson Hotel April 9th and 10th. If you have not already done so, we would encourage you to make your hotel reservations. There is a block of rooms reserved so that you can book rooms at state rates.

The purpose of this meeting is to bring Preschool Development Grant leadership teams together to network and learn about best practices for implementing the Montana Preschool Program Standards, to gain a better understanding about grant implementation expectations, receive important grant updates, and provide time for teams to reflect and plan. We appreciate you providing feedback to Regional Specialists about your needs, this has been helpful as we plan relevant topics for the plenary sessions, breakout sessions, panel discussions, and round table discussions.

I've included a draft agenda that outlines the date, place, time, and a general schedule for the meeting. We will provide a more detailed agenda as we get closer.

Thank you for all you do for the children and families of Montana.

Wishing you well,

Tara
