Curriculum

On May 7, our 4th and 5th grade students took the stage with an energetic and entertaining performance of *Press Start*. Their singing, dancing, and enthusiasm were outstanding, and the audience was thoroughly delighted throughout the evening!

A heartfelt thank you goes to Mrs. Hartnett for her dedication, creativity, and countless hours of work in bringing this production to life for our students and families. Her efforts helped create a memorable experience for everyone involved.

The evening also showcased the talents of our 5th grade band, who performed several musical selections under the direction of Mr. Pryor. We appreciate his leadership and the time he spent preparing students for a successful performance. The students did a fantastic job and should be very proud of themselves!

On May 8, we welcomed grandparents and special guests for our annual Grandparents & Special Persons Day celebration. Our K–3 students delivered a heartwarming performance that filled the room with joy, smiles, and applause. It was a wonderful morning celebrating the special connections between our students and their loved ones, and everyone left with smiles on their faces!
