RE: Hire

It is my recommendation to approve Christina Kittock's independent contract as a SLPA (speech language pathology assistant) effective for the 2021-22 school year. She has been taking coursework and conducting her internship/clinical hours with us this year and will be a great addition to the special education team. She will work with the other SLPs and Linda Wharram to determine her schedule and case load for the upcoming year. This position is new.

Thank you,
Jen
