### News from Mrs. Jones

Happy New Year-

I am so excited for what 2021 holds for all our families. I am an optimist by nature. I like to think positively and problem solve. This pandemic has been tricky for us problem solvers, as it doesn't play by the rules and has constantly caused change. However, the positive side of me would like to point out what this pandemic and the forest fires have revealed about our Illinois Valley families and their children. They can roll with the punches, our kiddos are so flexible and have the best attitudes. Most importantly, the families of our valley help one another and genuinely want individuals to feel thought about and cared for. I know that the loss of instruction, connectivity, and closures have been frustrating. What I also know is that 2021 will inspire people to look at every day and ask what they can do to be amazing, and life changing for others.

Go out and be amazing, 2021 is a new year and a fresh start!

Sincerely, Jenny Jones  
Principal

Why do mother kangaroos hate rainy days?
