The second meeting of each month will be programming updates provided by each director.

Building and Programming Updates	<u>Colvill</u> • We are continuing to promote open registration and available wrap-around care for our afternoon classes and available scholarships. I will be at River City Days promoting Colvill Preschool options. • Extended School Year (ESY) began last week, Monday, July 13 and runs through Friday July 31. • We have open part-time paraprofessional positions. <u>Sunnyside</u> • We are thrilled to officially welcome Jonathan Heyer, who joined the RWPS team as Sunnyside's principal on July 1. Jonathan has hit the ground running, spending his first few weeks connecting with other administrators and district office staff and getting acclimated to the district and the Sunnyside building. Mike Pagel and Jonathan have been collaborating in order to ensure a smooth transition. • A massive shout out goes to the Sunnyside custodial staff! They have been working tirelessly cleaning, waxing, and caring for every corner of the building. They are continuing to make it shine ahead of the new school year. <u>Burnside</u> • Burnside's custodial staff has been busy readying the building for staff and students to return. It is always amazing to see how much they accomplish in a short couple of months! • Principal Mike Pagel has been busy settling in at Burnside while supporting Sunnyside's new principal in his transition as well.

Kudos to them for all the support and flexibility they are showing!
