Parent Involvement

- Ms. Dinkins needs 6 parent volunteers for Field Day
- Need to stagger start classes for Color Run
- Money collection announcement assembly May 28th before the Color Run
- Playground update: Allcare reached out and they want to help us apply for a grant from them to help with the playground costs. Kaci is planning to meet with them and Megan volunteered to attend the meeting with Kaci.
- Under the Sea Dance recap – Kaci reports that the kids had a blast, but the set up was a little chaotic. We need more volunteers next year.
- Teacher Appreciation week – Lauren reports that Tuesday she gave gum gifts from the PTO and Morgan from FLOAT purchased lunch from Catalyst pizza. Catalyst donated \$50 off the purchase. On Wednesday, lunch was provided by Casa Amiga. They donated half and PTO paid for half. On Thursday lunch was donated by The Suites Assisted Living and dessert was donated from Fireside catering. Teachers also received gift cards from local businesses that Lauren was able to get donated.
- Color Run – Hilary reports that Rural Metro and AMR are planning on coming. Ms. Falkenhagen and Hilary have been in contact with the owner of the dunk tank and that is being arranged. Allcare is donating \$500 towards the color run. We still need more volunteers for the event, so please see the post on Facebook and respond if you can help. Ms. F stated that the kitchen also needs 3 volunteers to help serve Noble

Feast. Megan volunteered to help, so we need 2 more volunteers. Ms. F said the grad walk will also be the same day. They are doing it differently this year, and instead of first thing in the morning, the graduates are being bused to the school around noon.
