

**SHEILA V. CANTU**  
DIRECTOR OF PURCHASING & WAREHOUSE OPERATIONS

The district maintains a white fleet that requires regular maintenance, repairs, and occasional collision work to remain safe, reliable, and operational. Establishing an RFP for automotive repair and collision services, as well as parts and supplies, ensures access to qualified vendors who can provide timely, cost-effective, and high-quality support. This helps minimize vehicle downtime, extend the lifespan of fleet assets, and ensure continuity of daily operations.

A Request for Proposal (RFP) #26-009, Automotive Repair and Collision Services, Parts, Supplies and Related Services, was issued to over fifty (50) vendors. Fourteen (14) responses were received and opened by the Purchasing Department on Friday, February 6, 2026.
