

FIS School Board Report May 18th, 2025

Day of Kindness

Our Day of Kindness was a great opportunity for FIS students in grades 4–8 to give back, support others, and show leadership throughout the school and community. It was great to see students working together and showing kindness in so many different ways. A huge thank you to our business and members of our community who allowed us into their spaces to show these acts of kindness.

Field Trips and Concerts

This spring, students participated in several field trips and concerts that provided valuable experiences outside of the classroom. These opportunities allow students to learn, perform, and represent FIS in a positive way. We have a variety of grade-level and musical performances in the last two weeks.

Teacher Appreciation Week

During Teacher Appreciation Week, we took time to recognize and thank our teachers for the hard work, care, and dedication they show our students every day. We are fortunate to have staff who consistently put students first and go above and beyond for our school community. A huge thank you to all of our teachers at FIS!

Administrative Assistant Appreciation Week

We also recognized our administrative assistants for everything they do to support students, families, and staff each day. Their flexibility, organization, and willingness to help are a big part of what keeps FIS running smoothly. Thank you for all your support in the front office!

8th Grade Dance

The 8th Grade Dance was a fun way for students to celebrate the end of their middle school years together. Students enjoyed spending time with friends and making memories as they prepare for the transition to high school.
