

6. MONITORING REPORT - Challenger Learning Center Update

A. SUBJECT

This item is included on the agenda so the Board of Education can be updated on the Challenger Learning Center.

B. INFORMATION

Keely Krueger, Assistant Superintendent for Early Childhood and Elementary Education, will update the Board of Education on the Challenger Learning Center.

Woodstock CUSD 200 acquired the Challenger Learning Center during the summer of 2019. Since then, the Center has welcomed schools and students from all over Illinois to experience a simulated space mission and STEM experiences.

This is an informational report only. No formal Board action is required.
